

Doctor Comparison

Using Web Medical Review Sites

<u>Directions</u>						
1	Use the review sites shown in column B to help you find doctors. Each review site name is linked to its Website.					
2	Next, if don't know several doctors to check, enter the specialty you require such as "cardiologist" and a location like Irvine, CA. "					
3	Then, enter the review scores for several doctors as well as other important data requested in column B for 2-5 doctors.					
4	Check the comparison table at the bottom of this spreadsheet to help you select the best doctor.					
5	For a "Live" version of this spreadsheet, visit https://www.chefsteflux.com/book and click on the:					
	"Access Bonus Content" button. You can find the required password on page 213 of the book " Greek Cooking My Way. "
